Dear Nikki,

Re Parking at the Queens Parade & Kalinya Street Newport Car Park

At our associations monthly meeting this Tuesday evening the 21st June the parking concerns at this location were discussed at length. One of our members Mr. Joe Saleh of the Community Pharmacy had supplied us with a copy of the letter of the 8th June 2016 from the Deputy General Manager of the Northern Beaches Council, Mr Ben Taylor noting some recommendations to be made to the councils July Traffic Committee meeting and those recommendations were taken into account during the discussions.

The following resolution was passed at the meeting;

'That the NRA write to council requesting they give consideration to amending the current parking restriction to the provision of four (4) Disabled spaces, twelve (12) by fifteen (15) minute spaces and the balance two (2) hours.'

Should you wish to discuss the above we would be more than happy to do so and we can be contacted as per the header above. These traffic and parking issues may become exacerbated should a DA (No: N0200/16) for the establishment of a 92 child Daycare centre at 30 Queens Parade West be approved.

Yours faithfully,

Gavin Butler
President
