

Have your Say and Keep in Touch with Newport and its Future

JOIN: Newport Residents Association

Newport Residents Association (formerly named 'Progress Association') has been a unified voice for the people of Newport for more than 100 years. Since the association first lobbied for the building of a home for an early Schoolmaster of Newport Primary, it has successfully participated in many, many aspects of Newport life – as the voice of those who live here.

Recent and current matters in which the Association leads and may be able to amplify your voice include:

- Creation and implementation of the Newport Master Plan
- Informed review and submissions on all significant DAs
- NSW Government & Council amalgamations policy
- Coordinating community events for local participants
- Opposing total Commercial development of the Foamcrest Avenue community-owned carpark (the 'Woolworths' site)
- Lobbying for sustainable development and maintaining Newport as a people-friendly village
- Lobbying & implementation for Newport community gardens
- Supporting enhancement proposals for Newport Oval
- Pushing for pedestrian paving of streets that are key thoroughfares
