Dear Rob,

Congratulations from all at the Newport Residents Association (NRA) on your re-election in the seat of Pittwater and also the return of the Baird government.

Please find attached a copy of a submission we have made to Pittwater Council (we met with the Mayor Jaqueline Townsend last week) regarding our ideas for enhancement of the Newport Oval. The reason for the communication is that we would like to know whether there are opportunities for funding via or from the NSW Government and if so how would we go about this. Obviously Newport Oval is a community asset owned by Pittwater Council so any funding would need to go via them. Our approach to you is because the NRA want to be proactive about this enhancement and will look at any avenue to enable it to happen.

Please have a look at the submission as one of our talented members has put this together and it is a very informative document. We look forward to hearing from you.

Yours sincerely,

Gavin Butler
