Dear Mark,

## Re: Newport Oval Upgrade

The Newport Residents Association have been pro-active in seeing Newport Oval upgraded to a "village green".

The theme is to see Newport Oval become, not just a sporting field, but a meeting place for the community. A place where families can relax and watch a game, walk their dog or sit and enjoy the surrounds of a beautiful village green. We believe that an upgraded Newport Oval in a similar form to our submission made to council earlier this year would also create a wonderful visual entrance into Newport.

Recently our members have engaged with council to see how we can proceed with the upgrade of the oval by way of a picket fence surrounding the field and the remodelling of the park change rooms. We offer our continued support and assistance in any way we can to council to see this upgrade achieved.

We are aware that Pittwater Council have requested a quote from a reputable fencing company to look into building a fence at Newport Oval and we are keen to hear what the outcome was at that meeting.

Kind regards,

Gavin Butler
