Dear Resident/Business Owner

New Footpath - Queens Parade East & Myola Road, Newport

We're undertaking works to improve pedestrian safety and access in your street as part of our new footpath program. The purpose of this program is to connect residents to transport, parks and shops within local communities.

What will the works include in Queens Parade East?

- A new concrete footpath on the northern side of Queens Parade East between Barrenjoey Road and Myola Road. Further works are planned on Myola Road between Queens Parade East and Newport Beach
- Reconstruction of the first 1.5m of the driveways at No. 94
- Landscaping including minor re-grading of the nature strip to facilitate the new footpath and re-grassing
- Removal of existing street trees and trimming branches overhanging the proposed footpath. It is proposed to remove the street tree in front of No. 110

What will the works include in Myola Road?

- A new concrete footpath on the western side of Queens Parade East between Queens Parade East and The Boulevarde
- Reconstruction of existing pedestrian ramps across Hollywood Road and Trevor Road
- Landscaping including minor re-grading of the nature strip to facilitate the new footpath and re-grassing

Timing of works

The works are scheduled for the next 12 months. You will be notified of the exact start date of the works in your street at least one week prior to them commencing by letterbox notification. That notification will also include more detail on the duration of the works and nominate a site contact.
