Dear Mr Butler,

Thank you for your letter expressing concerns with the comments and recommendations made by Council's Landscape Officer in relation to DA2020/1756.

Please be advised that the DA is currently under assessment and that the applicant is not able to act upon the recommendations of the landscape officer as they are only referral comments at this point in time. I will bring the issues that you have raised in your letter to the attention of the officer's supervisor for further investigation. A detailed response will be provided to your letter once further information on the matter has been obtained.

If you have any further concerns please do not hesitate to contact me.

Regards

Louise Kerr

Dear Ray,
Please find attached a letter of concern regarding a eucalypt tree in Robertson Rd Newport previously saved by council but now for the benefit of a developer being given approval for destruction, even before the DA has been determined.

Thank you and regards
Gavin Butler
