Dear Sir,

Re Mod2018/0563 – N0536/17 Lot 16 29 Foamcrest Ave Newport re modifications to consent

We refer to the above notice of proposed development and the application to vary the hours of operation and use.

We have been approached by neighbours to this development and have considered the application. We have been informed that there are no objections to the way the business has been operating to date but concerns have been expressed at the change of hours from 10.30pm to midnight.

Our Association is keen to support the vibrancy of Newport and therefore have no major objections. In the interests of the residents, however, we request Council to consider allowing a trial period of the proposed altered consent conditions to enable a better evaluation of the proposals.

Yours sincerely

Gavin Butler
President
