Rob,
On behalf of the NRA we attach a copy of a letter sent to the Project Director of the Northern Beaches B-Line program requesting an extension of the time for submissions and comment following the release of the REF. We would appreciate your strong support for this extension as we believe the two week period advised is highly inadequate and inappropriate given the 8 months it has taken to produce it.
Also we forwarded a letter to you on the 17th June re our concerns of a recent SNPP decision. Somehow I ended up with a Sept date on the letter and I reattach the letter with the correct June date on it for good order.
Thanks and we look forward to hearing from you.
Kind regards
Gavin
