Draft West Newport Parking Demand Management Strategies

Dear Sir,

We wish to thank council for the excellent work in community consultation and the preparation of this study.

The only query we had with the strategy is that it appeared to be silent with regard to the short term 'Drop Off' zone located in front of the kindergarten. Following a discussion today with Michelle Carter from council today we are advised that this drop off zone will remain and may be extended to run all day with which we agree.

Subject to the above the Newport Residents Association agrees completely with the draft strategy.

Yours sincerely,

Gavin Butler
President
