Hello Wendy

I've followed up Steve and Jeremy on the questions you've asked and have the following response –

Are you able to update us on Dearin Park? Has Jeremy been able to have a look at our suggestions?	Jeremy will be looking into the suggestions provided this month and I will be able to provide an update at the September meeting.
Also, are you able to give us an idea when the stairs will be built at the end of Melaleuca St?	It is anticipated this work will be carried out in 22/23FY. Staff are currently trying to resolve a land encroachment issue. Once this is resolved, we can survey and prepare a concept plan for the stairs.

Kind regards
