Road closure

Friday 13 - Monday 16 November

We are delighted to advise that Northern Beaches Council has received a grant from the NSW Government to temporarily close some streets in this area so the community can share them collectively.

The Streets as Shared Spaces grant is a pilot program that will see the temporary closure of Robertson Road, Newport.

This closure will support local restaurants and cafes by providing opportunities for increased outdoor dining, while allowing for social distancing requirements.

Road closures will be in place from **5pm on Friday 13 November until 10am on Monday 16 November 2020** at each end of Robertson Road.

Please note there will not be access during this period for vehicles and deliveries along Robertson Road. If you require any deliveries please use the Foamcrest Avenue carpark.

This project is proudly funded by the NSW Government in association with Northern Beaches Council.
