Good Afternoon Gavin

Hope you are having a good week. Please find below responses for the actions raised at your meeting last week:

Issue	Response
Follow up response to NRA for funding for the footpath at Prince Alfred Parade.	Response sent.
Has the submission period been extended for DA2020/0502?	Staff have spoken with many of the residents near this development and a few of them were concerned that they would not be able to make the published notification dates. They have been advised that we are required to include and start and end date for the notification period, however we will consider any submission made on the application right up to the finalisation of the assessment. In this instance there is many more weeks available past the notification period within which submissions can be made.
Keoride Parking on Foamcrest.	Council are trying to get Keoride to relocate their office, they are looking at a different arrangement moving forward with a potential contract update.
Request and confirm cleaning schedule for Newport Pool Amenities only being cleaned weekly.	Request sent to facilities staff for schedule and advised it needs cleaning.
Concerns regarding rain pooling under the surface of Foamcrest Avenue, Council needs to address this prior to resheeting.	Foamcrest Avenue from Robertson Road to Neptune is included for road resheeting. Staff have not started investigation and scoping of the street yet but all the flooding, damaged kerb and gutter will be addressed before resheeting is carried out.

If there is anything further please let me know.

Kind Regards,

Annie Laing
