Good evening Wendy and Gavin

Apologies for the late email, however, I have just spoken to the CEO who discussed the continuation of the Newport markets with councillors tonight and he has advised we are approved to extend their operation until the end of January 2021 while we conduct the EOI process.

Thanks again for your support and we look forward to 2021!

Subject: Newport Fresh Produce Market

Dear Ray

We have spoken to Alison Cooper today in advance of the Fresh Produce Market trial coming to an end.

We understand the need for due process and now that the trial has finished, as of tomorrow, 9th December, Council will be putting the Management of the Market out to tender.

We would be very much in favour of the Market continuing to trade throughout the tender period if at all possible.

Our local community has indicated they are in favour of the Market and we believe by continuing to trade, the market will be better, with hopefully an increased number & variety of traders operating, knowing the public will also continue to support it.

Your attention to this is very much appreciated.

Yours sincerely

Gavin Butler & Wendy Dunnet
