

# Newport Youth Space

## Revised concept plan

Thank you to everyone who provided feedback on this project. We have revised the concept plan based on community and stakeholder feedback.

This will include:

- reorienting the basketball court
- reviewing the plan to address the need for emergency access at the site
- reviewing the material palette choice to blend with the heritage elements of the surf club.

The revised plans can be accessed via Councils website.

Construction will commence in March for completion within 6 weeks (weather permitting)
