Northern Beaches Council  
PO Box 82  
Manly, NSW 1655

Dear Sir,

## **Submission – draft Newport Flood Study**

We refer to the above study and wish to compliment both the council officers and the specialist consultants for the comprehensive study and report.

One of our members Mr Dick England was a member of the flood study group and reported that the job both the council staff and consultants did was of the highest calibre and that he was very satisfied with the results.

We also wish to thank the staff for the individual sessions made available to the residents and we know that these were well received and attended. The Newport Residents Association executive had a summary session provided to us by a council officer Mr Duncan Howley (which was organised by Trish Chaney, the NBC Community Liaison Coordinator), for which we are grateful.

Yours sincerely

Gavin Butler  
President
