**Subject:** Avalon to Newport Cycleway and Pedestrian Link

Jorde and Eva,

Glenn Moore has passed on a copy of his e-mail to you of the 12<sup>th</sup> December 2019 and I confirm that it is the position of the Newport Residents Association that we are happy with the shared cycleway and pedestrian link from Neptune St Newport to the start of the Serpentine as has been proposed and reconfirmed at the meeting on 9<sup>th</sup> December. (This is consistent with our comments to Pittwater Life when the proposal was first announced a year or so ago). We do not have a position on the balance through to Avalon except to say we are not against the current proposal from the Serpentine through to Bilgola Beach.

Thanks also for your good comments at the meeting with regard to what type of cyclists you are expecting to use the shared pathway and those expected to keep using Barrenjoey Rd.

Kind regards

Gavin Butler

President

Newport Residents Association
